A screenshot of a music theory quiz interface. The title bar is orange with a musical note icon on the left and a treble clef icon on the right, with the text "Music Theory" in the center. The main content area has a white background with the question "What words do these notes spell?". Below the question are two musical staves. The first staff shows a bass clef with four notes: G2, A2, B2, and C3. To the right of the first staff is a text input field containing the word "aged", a "submit" button, and a cartoon illustration of a girl on a bicycle. Above the "aged" field is a small orange box with the word "Correct!". The second staff shows a bass clef with four notes: G2, A2, B2, and C3. To the right of the second staff is a text input field containing the word "edge", a "submit" button, and a cartoon illustration of a donkey. At the bottom of the interface are two buttons: "Back" on the left and "Next" on the right.
